

Governor Polis signs the SAPHC Package into Colorado law on April 14, 2023.

Nothing should stand between you and **your health decisions**

In 2023, Cobalt celebrates the passage of the Safe Access to Protected Healthcare (SAPHC) Package of Senate Bills 188, 189, and 190 through the Colorado State Legislature and their passage into law, strengthening Colorado's position as a safe harbor state for politically-targeted healthcare. SB 188: "Protections For Accessing Reproductive Health Care;" SB 189: "Increasing Access To Reproductive Health Care;" SB 190: "Policies to Make Punishable Deceptive Actions Regarding Pregnancy-Related Services."

Thank You to our Fearless Sponsors

Majority Whip Senator Julie Gonzales
Senator Sonya Jaquez-Lewis
Representative Meg Froelich
Representative Brianna Titone

Cobalt led on the passage of SB 23-188, "Protections For Accessing Reproductive Health Care." With it, Colorado raises a legal shield to protect patients, providers, and assistants of reproductive healthcare, including abortion and contraception, as well as gender-affirming care. By the numbers, we had:

56

Legislative Co-Sponsors upon final passage

52

Organizational Endorsements across a broad range of advocacy issues

74

People testified in support of SB 23-188

33

Hours in committees and floor debates for SB 23-188

78

Hours in committees and floor debates for SAPHC package

26

Days between SB 23-188's introduction and final passage through the General Assembly

36

Days between SB 23-188's introduction until it was signed into law
